

Training & Support

Training

NextGen provides training remotely on the use of the NextGen Pricing System. The training is designed to help users understand the NextGen Pricing features and functions and how to use them.

Support

Portal Pricing Users may click [HELP Women] or [HELP Children] in the Portal menu for the online step-by-step Portal Pricing Guide, selecting the feature/function of interest.

Liberty Pricing Users or select [HELP Women] or [HELP Children] in the Liberty Add items Screen for the online step-by-step Portal Pricing Guide, selecting the feature/function of interest.

If, for any reason, you would prefer a human voice, call or email NextGen how-to support 855 696-3984 Ext 720 anytime.

Portal Pricing Users and Liberty Pricing Users may also review and optionally download and print the Children's or Women's Pricing and Buying Guides available to users online. These Guides include substantive information on pricing right and on what not to buy, what to buy and how.
